Education

- Students click on the icon with the image below to go to the Education page

A screenshot of the TDTU Student Portal. The top navigation bar is red with the TDTU logo on the left and user information on the right. A left sidebar contains a list of menu items, with "Education" highlighted in red. The main content area features a "NOTICE BOARD" with three items: a warning about applications, a phishing email alert, and a link to Facebook for technical support. At the bottom right, there are buttons for "INSTRUCTIONS" and "OLD VERSION".

NOTICE BOARD

WARNING ON USING APPLICATIONS THAT DON'T BELONG TO TDTU

Currently, there are some applications were not developed by the TDTU in CH Play & App Store, students should **NOT** use these applications to avoid being exploited to collect personal information. Only use the systems provided by TDTU and the systems have been confirmed by the TDTU. Arbitrary provision of account information (by any means: providing survey information, logging into a system that doesn't belong to TDTU, etc.) to any unit/person not under the management of TDTU leads to information loss, TDTU will not be responsible.

See how to identify the TDTU systems in the SYSTEM LIST

NOTE:

+ To ensure the information security, students MUST preserve the Student's Portal account carefully

PHISHING EMAIL

Currently, there are many delinquents who forge the email of TDTU and its units in order to profit from students. Each of you needs to find out the information carefully before providing any personal information. All emails from the University have the extension as "**@tdtu.edu.vn**" and **have the identification signature at the bottom.**

Visit Facebook TDT Software Engineering for technical support.
